

TOLA BANJO | Software Engineer | Frontend Developer

Lagos, Nigeria | +2348030947177 | banjotola12@gmail.com | [LinkedIn Profile](#) | [Github Profile](#)

SUMMARY

I have over 4 years of technical experience in IT Support. As a diligent and hardworking IT professional, I have been able to work effectively, collaboratively, and efficiently in companies that champion digital transformation. With a keen interest in software development, I am currently looking out for opportunities in the software development space as a Frontend developer or Full Stack developer in any reputable company or industry.

This opportunity will make me develop my career while ensuring that my employer's vision and mission are achieved. Please see the link: <https://banjo-tola-folio.netlify.app> for more projects that I have worked on.
